

Stage Stars

StageStars is a local arts, dance & fitness group, situated in the grounds of a beautiful country house in Little Canfield near Dunmow, staffed by experienced dancers, teachers and actors. In our dedicated dance studio, set in extensive idyllic gardens, we provide weekly dance & keep fit classes from age 3 years upwards! Our interactive holiday workshops for children bring the magic of movement and arts together and culminate in a show for friends and family. Please give Vlada a call for further information: details of our programmes are shown below.
